Features & Benefits

Competitive 4-week lead time
 Ships from the factory to the job site in 20 business days or less.

Simple installation
 Easy install of base mounting bracket and bollard body with stainless hardware and standard tools. Body can be detached from base without disturbing flooring for maintenance or replacement. 1/2" diameter masonry anchors provided for mounting on pavers, concrete, or other flooring materials.

Welded dome top
 Attractive dome cap is welded on and ground smooth for a watertight, seamless finish.

Preps for two devices
 Includes cutouts for mounting intercoms, card readers, or actuators. Preps are customizable to fit make/model specified for each device.

Robust structure
 Solid and reliable aluminum construction for both indoor and outdoor locations.

Long-lasting powder coat finish
 Sleek and attractive powder coat finish with excellent corrosion and chemical resistance. Choose from a wide selection of colors to match any palette.

Decorative reveal (Optional)
 Elegant groove detail adding depth to the visual façade of the bollard. Customize number and height placement of reveals.
