### Countless custom options available!

Contact Wikk for custom short specs or budgetary and design assistance.

**To ensure competitive bidding by qualified Sub Contractors, please specify Wikk's products in CSI Divisions: 8, 14, or 28.**

## Features & Benefits

### Competitive 4-week lead time

Ships from the factory to the job site in 20 business days or less.

### Simple installation

Easy install of base mounting bracket and bollard body with stainless hardware and standard tools. Body can be detached from base without disturbing flooring for maintenance or replacement.

### Secure mounting

1/2" diameter masonry anchors provided for mounting on pavers, concrete, or other flooring materials.

### Welded flat top

Bollard cap is welded on and ground smooth for a watertight, seamless finish.

### Prep for actuator

Includes cutout for mounting an actuator or other device. Prep is customizable to fit make/model specified for device.

### Card reader mounted behind flush LEXAN™

Black polycarbonate window with interior removable bracket for card reader. Sleek and weather-resistant flush finish. Includes access panel on back for maintenance. Card reader device not included.

### Robust structure

Solid and reliable aluminum construction for both indoor and outdoor locations.
