

General Information

Wikk offers a great selection of high quality and customizable INGRESS'R® switch solutions.

With our competitive lead time, stock product ships from the factory in 2-3 business days. Custom made-to-order product ships in 20 business days or less after acknowledgment of a purchase order and approved drawings.

For a list of STOCK INGRESS'R® switches, refer to <https://wikk.com/product-category/ingressr>.

To expedite custom orders to ship in 10 business days, call Wikk's customer service for details.

Specification Summary

The switches to be used throughout the complex shall be Wikk® Industries, Inc. INGRESS'R® activation door control. The INGRESS'R® activation door control shall be ADA compliant and exceed California Building Code, Section 11B404.3. INGRESS'R® shall be such that pressing any part of the actuating column will activate the device. Switches shall be rated at 15A, 125/250VAC; 3/4hp, 125VAC.

To ensure competitive bidding by qualified Sub Contractors, please specify Wikk's products in CSI Divisions: 8, 14, or 28.

Technical:

Standard Dimensions: 6" Wide X LENGTH X 1.62" Deep (152mm X LENGTH X 41mm)
